The Company had appointed National Securities Depository Limited (NSDL) as the service provider, for the facility of electronic voting to the shareholders of the Company. The remote e-voting results were unblocked by me on 01st September 2016 after conclusion of AGM in the presence of two witnesses.

The facility for voting through ballot paper was made available at the AGM venue for the members attending the meeting and who had not cast their vote through remote e-voting. The ballot box kept at the AGM for this purpose was locked in my presence. After conclusion of voting at the AGM venue, the locked ballot box was opened and the ballot papers were diligently scrutinized.
